Parish Tuition Discount — Andrean families, who are deemed by their pastors as supporting members of a Diocese of Gary Catholic Parish, are awarded a tuition discount by completing an annual Parish Verification Form at the time of registration each year and having the parish pastors sign and submit the form. Each qualifying student receives a \$300 tuition discount annually.

Diocese Tuition Assistance — All Andrean students that belong to a Diocese of Gary Catholic Parish and in need of financial assistance are encouraged to apply for financial aid at the Diocese of Gary website. The Diocese uses FACTS Management to process requests. **The online link will be available on the Diocese website from February 20th to March 20th only.** All Catholic families are encouraged to apply for financial aid from the Diocese of Gary for future enrollment (including incoming freshman or transfer students for the following school year.)

Andrean Tuition Assistance

Andrean students that do not belong to a Diocese of Gary Catholic Parish, or families that have missed the Diocesan Tuition Assistance application deadline, are encouraged to apply for financial aid through Andrean. Andrean also uses this process. **The FACTS online link will be available on the Andrean website (www.andreanhs.org) February 20, 2017.** Andrean uses the information from FACTS to distribute assistance according to family need and the amount of funds the school has available. All Andrean financial assistance is confidential and funded by Andrean High School.

Indiana Choice Scholarship Program

The Indiana Choice Scholarship Voucher Program is intended to provide opportunities for low and middle income families to send their children to the private school of their choice. The program creates a scholarship “voucher” that will enable families to access a portion of the per-pupil state funding in their area to be used toward the private school tuition.

Andrean High School is actively participating in the Indiana Choice Scholarship Voucher program and is working with eligible families to assist them with the application process. To be eligible for participation in the Indiana Choice Scholarship Program at Andrean, the student must:

- Be accepted to and plan to enroll at Andrean High School.
- Be a legal resident of the State of Indiana.
- Have enrolled in an Indiana public school for at least the two immediate semesters prior to enrolling at Andrean.
- Be a sibling of a currently enrolled IN Choice Scholarship recipient.
- Be a continuing or previously enrolled IN Choice.
- Complete the **online** FACTS tuition assistance application by the annual deadline through the link on the Andrean website.

ACADEMIC EXCELLENCE SCHOLARSHIPS

Andrean Entrance Exam Scholarships — An Andrean Academic Excellence Scholarship of \$1,500 will be awarded to the top student with the highest score on the Entrance Exam given to students in December, January and February of their 8th grade year. This scholarship will be renewable each year as long as the student maintains a cumulative 3.5 GPA.

Academic Excellence Awards of \$1,000 for the next nine highest scoring students will be awarded for their freshman year. Families of students earning an Academic Excellence Award who also qualify for need-based tuition assistance will receive priority status as long as they apply through FACTS Grant and Aid. The Academic Excellence award amount will be in addition to any need-based tuition assistance for which a family qualifies for that school year through the tuition assistance process.

WORK-STUDY PROGRAM

Red Crew — Andrean students who have applied, interviewed and selected will be awarded a spot on the Red Crew team and will receive between \$1,000 and \$1,500 tuition credit annually by working in a variety of ways on campus during the school year. Students commit to working 30 minutes per day 5 days a week during the school year.

Red Crew is supervised and monitored by a member of the Andrean faculty. Red Crew will meet at the beginning of the school year with the supervisor and be assigned to a Red Crew Team. Each “team” will be responsible for specific tasks to fulfill the obligation of tuition assistance. Red Crew members are selected annually from applicants using the Andrean scholarship application, meeting all scholarship criteria and based on FACTS information.
